

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the www.datamatix.com and Datamatix, Inc. and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Datamatix, Inc. include www.datamatix.com and Datamatix. The Datamatix website is a web app development site. By using the Datamatix website, you consent to the data practices described in this statement.

Collection of your Personal Information

Datamatix may collect personally identifiable information, such as your name. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Datamatix. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Datamatix website.

Datamatix encourages you to review the privacy statements of websites you choose to link to from Datamatix so that you can understand how those websites collect, use and share your information. Datamatix is not responsible for the privacy statements or other content on websites outside of the Datamatix website.

Use of your Personal Information

Datamatix collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Datamatix may also use your personally identifiable information to inform you of other products or services available from Datamatix and its affiliates. Datamatix may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Datamatix does not sell, rent or lease its customer lists to third parties.

Datamatix may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Datamatix, and they are required to maintain the confidentiality of your information.

Datamatix will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Datamatix or the site; (b) protect and defend the rights or property of Datamatix; and, (c) act under exigent circumstances to protect the personal safety of users of Datamatix, or the public.

Security of your Personal Information

To secure your personal information from unauthorized access, use or disclosure, Datamatix uses the following:

1 and 1

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Children Under Thirteen

Datamatix does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

Opt-Out & Unsubscribe

We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from Datamatix by contacting us here:

- Web page: _____
- Email: _____
- Phone: _____

Changes to this Statement

Datamatix will occasionally update this Statement of Privacy to reflect company and customer feedback. Datamatix encourages you to periodically review this Statement to be informed of how Datamatix is protecting your information.
